Public Notice
New Visa on Arrival Eligible Country List

The Government of Papua New Guinea recently announced the creation of a Visa on Arrival Eligible Country list.

This list is attached to this notice, and may also be viewed on our official website at <http://www.immigration.gov.pg/visa/visa-all/34-general-information-for-intending-visitors.html>

Effective immediately, travellers from these countries may obtain a single-entry tourist or single entry business visa on arrival.

In order to be eligible, travellers must hold a passport issued by one of these countries, which indicates they are a citizen of that country.

Holders of other documents issued by these countries, such as those issued to non-citizen residents, refugees, or overseas nationals are not eligible for visa on arrival.

Citizens of countries not listed need to obtain a visa from the nearest PNG mission abroad prior to their travel.
